

Pierfrancesco Beneventano

PhD candidate at Princeton University

Researching on theory of deep learning.
Broadly interested in Machine Learning, its theory, and the math tools to develop it.

Personal Data

Address: Sherrerd Hall, Princeton, 08540 NJ.
Phone: +1 (609) 865 0159

Education

PhD in Operation Research and Financial Engineering, Princeton University, NJ, USA
Mathematics of machine learning, Statistics, Computational Mathematics

CGPA: na
2020 – curr.

MSc in Mathematics, ETH Zurich, Switzerland
Statistics, Probability, Computational Mathematics, and Deep Learning

Final grade: 5.92/6 (summa cum laude)
2018 – 2020

Theses:

- o Deep neural network approximations for high-dimensional functions.
- o Deep neural network approximations for high-dimensional first order Kolmogorov PDEs.

Supervisors: Prof. Arnulf Jentzen, Prof. Patrick Cheridito.

BSc in Mathematics, Università di Pisa, Italy
Computational Mathematics Curriculum

Final grade: 110/110 summa cum laude
2015 – 2018

- o Thesis on numerical methods for Markov chains (Italian). **Supervisor:** Prof. Dario A. Bini.
- o INdAM Merit Scholarship, best 40 freshmen in math all-over Italy (2015–2018).
- o INdAM Summer School in Mathematics (2016, 2017).

Experiences

Machine Learning Research Intern
Daedalean AI, Zurich, Switzerland

- o Explainability of AI.
- o Theoretical Guarantees for Neural Networks (Generalizability).

My work was part of the project Concepts of Design Assurance for Neural Networks (CoDANN) in partnership with EASA, European Union Aviation Safety Agency, which will lead to the first guidelines for AI certification in safety critical system.

2020

Teaching Assistant

ETH Zurich, Switzerland

- o Computational Methods in Engineering and Applications.
- o Numerical Methods for Partial Differential Equations.
- o Translator and Proofreader of a book on Calculus.

Courses for, among others: Physics MSc, Data Science MSc, CSE BSc, Mech. Eng. BSc.
Taught at the exercise lectures of the courses (both theory and C++ for problems.)

2019 - 2020

Coding skills

Proficient: C, Matlab, \LaTeX .

Experiences: C++, Python, R, Java.

Languages

Native: Italian.

Fluent: English, 7.5/9 Academic IELTS
